

In the Full-Body Virtual Reality you can move freely as a team in an arena with dimensions over 300 square meters. You can interact with other teammates for example exchanging objects or giving them a hand. These adventures get intensified with 4D-effects like heat for fire, other effects are wind, cold, vibrations and smell (For example the smell of tropical rainforest). Be the action hero in every mission.

Explorer

In the Explorer you will experience an exciting adventure, in which you will have to find a lost treasure in a tropical temple. Seek out secret passages, solve puzzles, avoid traps, and feel like Indiana Jones or Lara Croft in Tomb Raider.
